Ship public venues and stateroom categories subject to change.

Note: Some areas of the ship are not accessible to wheelchairs and scooters. Distances shown are from the bow (forward) or stern (aft) to the nearest stateroom. Certain stateroom categories may vary in size and configuration by ship. Stateroom views are considered unobstructed. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the $state rooms \, can \, accommodate \, a \, fourth \, berth \, as \, a \, roll away \, bed \, upon \, request \, at \, time \, of \, reservation. \, There \, are \, a \, limited \, number \, of \, roll away \, beds \, per \, ship, \, per \, voyage.$ Use of rollaway beds restricts cabin space.
